

NEW

2018 PERFORMANCE RXT® 230

LIVING ROOM ONBOARD

The new design makes hanging out just as fun as riding around.

INGENIOUS STORAGE

All your gear is now within arm's reach.

MUSIC ONBOARD

With the industry's first manufacturer-installed, truly waterproof, Bluetooth[®] audio system.

REVOLUTIONARY STABILITY

The new industry standard for stability.

RIDER CAPACITY

Weight capacity 600 lb / 272 kg

Black & Octane Blue ●

iTC / iBR / ST³ / CLCS / ECO

DIMENSIONS

Fuel capacity	15.9 US gal / 60 L
Length (bumper to bumper)	135.9" / 345.1 cm
Width	49.4" / 125.5 cm
Weight (dry)	805 lb / 365kg
Storage capacity	27 US gal/ 102.5 L

ENGINE

Type	Rotax® 1500 HO ACE™
Intake system	Supercharged with external intercooler
Displacement	1,494 cc
Cooling	Closed-Loop Cooling System (CLCS)
Reverse system	Electronic iBR®
Starter	Electric
Fuel type	87 octane

DIRECT ACCESS FRONT STORAGE²

BRP AUDIO PREMIUM (OPTIONAL)⁴

SWIM PLATFORM WITH INTEGRATED LinQ™ SYSTEM³

iBR® (INTELLIGENT BRAKE & REVERSE)

ST³ HULL™

WATERTIGHT PHONE BOX⁵

ENGINE

1,494 cc four-stroke, Rotax® with three cylinders in-line and four valves per cylinder. Equipped with Advanced Combustion Efficiency (ACE™) technology, this powerful engine comes with a maintenance-free supercharger* and external intercooler and is optimized for regular fuel for lower fuel cost.

iTC™ (Intelligent Throttle Control) system. Operating electronically, this advanced throttle system starts you in neutral for easier dockside starts. It also features activity-specific Touring, Sport and ECO® modes that can all be set to accommodate your riding style. The result is a more responsive, more intuitive ride.

iControl® Learning Key®. The programmable Learning Key allows you to limit the performance of the PWC based on rider skill-level.

D-Sea-Bel™ system. Combines a series of resonators and vibration-absorbing components to make Sea-Doo® watercraft some of the quietest on the water.

Closed-Loop Cooling System. Uses coolant to keep the engine running at the ideal temperature, much like a car's radiator. Also keeps out corrosive saltwater and debris.

FEATURES

iControl®. The "Brain" that integrates and controls all systems to create the best possible ride.

ST³ Hull™. The new benchmark for rough water handling, the fully redesigned ST³ hull™ is wider, for industry-leading stability at both rest and high speeds and expertly tuned to improve offshore performance.

Touring Mode / Sport Mode. Offers a choice between two throttle responses for different riding styles. Touring mode is the default setting offering a more progressive acceleration curve for a more confident ride — ideal for cruising and 2-up riding. Sport mode can be easily activated using the Sport button. It provides full acceleration performance for a more aggressive throttle response.

ECO® Mode. This iTC function automatically determines the most economical power delivery and sets the optimal RPM for greatest fuel economy.

Ergolock™ Seat. Seat with narrow profile and knee support that lets riders sit in a more natural position and lock in with their legs for more control and less upper body fatigue.

High-Performance VTS™ (Variable Trim System). The VTS™ adjusts the angle of the nozzle to change the behavior of the watercraft and improve parallelism to the water. The high-performance VTS™ provides handlebar-activated quick settings.

Ski Tow Eye. For easy and secure attachment of ski rope. With radio frequency technology and a ball-and-socket design, the Digitally Encoded Security System (D.E.S.S.) key provides riders with easy and quick starts every time.

Interactive Multifunction Digital Information Center. VTS™, Fuel level, Tachometer, Speedometer, Hour meter, Compass, Clock, Touring mode, Sport mode, ECO® mode, F-N-R indicator and more.

Direct Access Front Storage. Gear is now within arm's reach. The industry's first direct-access front storage opens by simply raising the handlebar assembly. No standing required.

LinQ™ Attachment System. Exclusive quick-attach system on the swim platform allows for easy installation of storage accessories.

Watertight Phone Box Compartment. Waterproof and shockproof phone compartment

RXT 230

FEATURES CONTINUED

Tilt steering	Seat Strap
Handlegrips with Palm Rest	Quick Latch Fuel Filler Design
Sponsons	Dual Drain Plugs
Bumpers	Flush Kit
Wide-Angle Mirrors	Emergency Floating Lanyard
Large Swim Platform	Swim Platform Carpet With Sea-Doo® Logo
Performance Front Grill	Reboarding Handle On Rear Platform
Footwell Carpets	Operator's guide, instructional video and booklet

PROPULSION SYSTEM

iBR® (Intelligent Brake & Reverse) system. First and only true brake on a watercraft recognized by the U.S. Coast Guard for improving boating safety since 2009. Now in its 3rd generation, the intuitive and improved iBR® allows you to stop close to 160 feet sooner¹ for greater peace of mind. All with the squeeze of a lever. And with its electronic reverse, it gives you a level of maneuverability that makes docking easier.

Stainless Steel Impeller. Delivers improved acceleration, higher top speed and less cavitation.

OPTIONS

- BRP Audio System
- Soft Knee Pad
- Storage Bin Organizer
- USB Charger
- LinQ™ Cooler
- LinQ™ Fuel Cadd
- LinQ™ Retractable Ski Pylon
- Wakeboard Rack
- Depth Finder
- Ski Module
- Dry Bag
- 12-Volt Outlet and Installation Kit
- Safety Equipment Kit
- Bilge Pump Kit
- Sandbag Anchor
- Fire Extinguisher
- Snap-in Fenders and Installation Kit
- Sea-Doo® Big One Trailer
- Watercraft Cover
